

Banquet Directions

Transport to the banquet is by underground in the red line (*Vermelha*) and then by foot (aprox.: 30 min). Two stations that serve the red line are within walking distance from the congress center and hotels. The map below shows how to walk to the nearest station from each possible location.

Metro (15min.)

Once inside one of the above underground stations, validate your *Viva Viagem* card to gain access to the metro platforms. The Viva Viagem card can be found in your individual conference pack and is already charged with two single metro tickets.

Take the red line towards *Oriente*. The journey to *Oriente* takes around 10 minutes.

Although Lisbon is quite safe, we advise you to be aware of pickpockets, travel in group and to avoid metro cars that are empty (or nearly empty). **Exit the metro at the last station (*Oriente*).**

Walking (15min.)

Once at Oriente station, walk upstairs (two levels) and follow the signs that lead you towards Parque das Nações, in the direction of the river. Then walk to Oceanário (around 13 minutes). See the map below for a suggested path to the Oceanário.
